- Assist in production and preparation of image data for publications and presentations.

## Teamwork

This will involve:

- To work collaboratively with NHS trusts and other stakeholders
- Champion the professional integrity of the organisation
- Adhere to corporate policy and procedure

## Personal Development

All Cobalt staff are required to participate in the organisation's annual appraisal scheme and the development of a personal development plan.

## Health & Safety

In addition to any responsibilities specified within your job description above, it is your duty to:

- Take reasonable care of the health and safety of yourself and of the other people who may be affected by actions and omissions at work
- Co-operate with the employer in ensuring that all statutory and other requirements are complied with.

## Confidentiality

Under no circumstances either during or after the end of your employment (however it is terminated) may you divulge to any unauthorised person confidential information relating to the Charity. This includes, but is not limited to, information covering patients, individual staff records, industrial relations, financial affairs, contract terms and prices or business forecasts.

## Data Protection

If required to do so, to obtain, process and/or use information held on computer or other IT system in a fair and lawful way. To hold data only for specific registered purpose and not use or disclose it in any way incompatible with such purpose. To disclose data only to authorised persons or organisations as instructed.

## Information Governance

You should be aware of all information governance policies and procedures, in order to ensure necessary safeguards are upheld for the appropriate use of patient and personal information.

*This is an outline of the post-holder's duties and responsibilities. It is not intended as an exhaustive list and may change from time to time in order to meet the changing needs of the Charity.*

*This post is subject to the terms and conditions of employment of the Cobalt Health.*
