Teamwork

This will involve:

- Champion the professional integrity of the organisation.
- Adhere to corporate policy and procedures.
- To work collaboratively with MFT and other stakeholders.

Personal Development

All Cobalt staff are required to participate in the charity's annual appraisal review scheme. The end of year appraisal will include a personal development review where progress made over the last year is discussed and agreed. Focus on the following year's departmental and personal objectives will be identified, discussed and agreed.

Health and Safety

In addition to any responsibilities specified within your job description above, it is your duty to:

Take reasonable care of the health and safety of yourself and of the other people who may be affected by actions and omissions at work.

Co-operate with the employer in ensuring that all statutory and other requirements are complied with.

Infection Control

To be aware of responsibilities for infection prevention and control.

Co-operate with the employer in ensuring that all infection prevention and control policies and procedures are complied with.

Conduct hand hygiene in accordance with Cobalt policy, challenging those around you who do not.

Disclosure and Barring

All appointments are subject to a satisfactory check by the Disclosure and Barring Service. Failure to disclose any previous convictions or cautions may result in the withdrawal of the post or termination of contract.

Confidentiality

Under no circumstances either during or after the end of your employment (however it is terminated) may you divulge to any unauthorised person confidential information relating to the Charity. This includes, but is not limited to, information covering patients, individual staff records, industrial relations, financial affairs, contract terms and prices or business forecasts.

Equality and Diversity

It is the responsibility of all employees to support the Charity's vision of promoting a positive approach to diversity and equality of opportunity, to eliminate discrimination and disadvantage in service delivery and employment, and to manage, support or comply through the implementation of Equality & Diversity Strategies and Policies.

Data Protection

If required to do so, to obtain, process and/or use information held on computer or other IT system in a fair and lawful way. To hold data only for a specific registered purpose and not use or disclose it in any way incompatible with such purpose. To disclose data only to authorised persons or organisations as instructed.
